Randolph Communications Scholarship Program

About the Program

Randolph Communications has designed the following scholarship opportunities to be "an investment in the future growth, development, and well-being of our member/subscriber families and the community." Our company's commitment to our customers and the communities we serve extends far beyond the telecom area. Randolph Communications' directors, management, and staff have maintained their resolve to be active corporate citizens in the counties the co-op serves, to stay involved in local community affairs, and to target contribution dollars to a variety of worthwhile civic and charitable causes.

Randolph Communications will award up to seven scholarships, each in the amount of \$1,000. There will be one scholarship awarded in each of our seven regions; however if applicants do not qualify then there may not be a scholarship awarded. This decision is at the discretion of the scholarship committee. If we do not receive any applications for a Region then no scholarship will be awarded for that area. The scholarship committee reserves the right to award that funding to another desiring applicant.
