

## **Central Office Technician**

Randolph Communications is seeking a highly skilled and motivated Central Office Technician. This position works with and supports field technicians with the maintenance and installation of high speed internet, carrier equipment, special circuits, data transmissions, and associated equipment. Facilitates and or manages Central Office system installations, repairs, updates, and upgrades. Troubleshoots system-related problems, works with vendors and occasionally customers to resolve technical issues within the network. Maintains and utilizes software support tools to generate various reports for management. A degree in Electrical Systems Technology or Networking, and/or related experience preferred. Salary commensurate with experience. Excellent benefit package. Randolph Communications utilizes pre-employment drug testing and background checks as a condition of employment. EOE
