MAKE SURE SANTA IS THE ONLY ONE COMING IN YOUR HOUSE ON CHRISTMAS EVE!

The holiday season is a time for joy, family gatherings, and, of course, a visit from Santa. But while you're wrapping gifts or enjoying holiday traditions, it's important to remember that Christmas can also be a prime time for break-ins. Thieves know many homes are full of valuable gifts and might be left empty as families travel, or attend holiday events.

At Randolph Security, we make sure that Santa is the only one slipping in and out of your home this Christmas! Our state-of-the-art home security systems offer peace of mind, whether you're cozy by the fire or away visiting loved ones.

Here's how we help keep your home safe:

 **24/7 Monitoring:** Our team is on guard around the clock, ready to alert you and authorities to any unusual activity.

 **Smart Security Integration:** Control your alarm system, cameras, and locks right from your phone—whether you're across town or across the country.

 **Motion Detection & Camera Alerts:** Be instantly notified if anything unusual is happening, so you can act quickly.

 **Doorbell Cameras:** Keep an eye on all your holiday deliveries and make sure no one besides Santa approaches your front door.

Don't wait until it's too late. Give yourself and your family the gift of safety this Christmas with a Randolph Security system. Call us today at **336-879-5684** for a free quote. Let us help you make sure your holiday season is merry, bright, and secure!

Stay safe, stay protected, and make this Christmas unforgettable for all the right reasons.

FIBER BUILDOUT UPDATE

Fiber optic Internet service today is as essential as home phone service was 70 years ago. Reliable connectivity is crucial for success in today's economy, education, healthcare, agriculture, and the integration of smart home devices. It also enables real-time connections with friends and family worldwide. High-speed internet has become a vital part of our infrastructure. As this technology continues to evolve, it demands ongoing upgrades and investments. Your Co-op is dedicated to ensuring that our communities are prepared for future possibilities, emerging challenges, and the rapid advancements in our industry.

Since we started rebuilding our fiber network, Randolph Communications has invested over \$80 million in our local communities, staying true to our mission of improving the lives of our customers and communities. Fiber construction and network improvements will remain our primary focus through 2024 and into 2025.

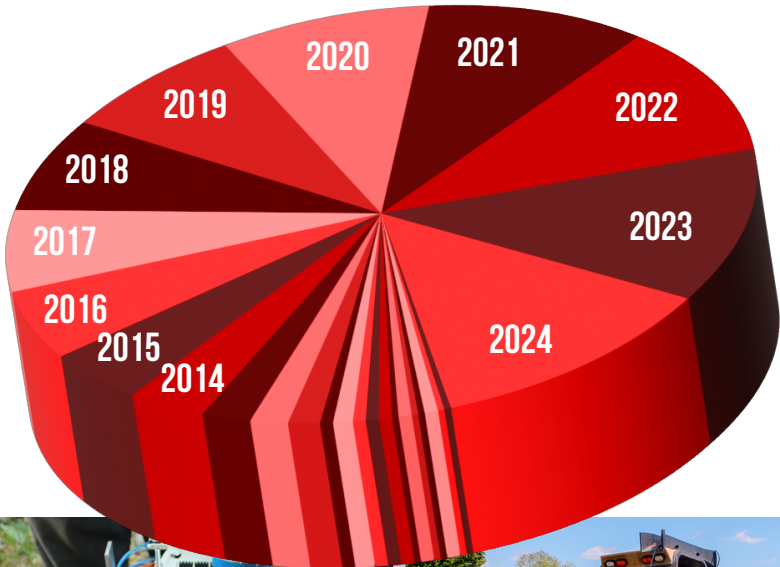

As more rural residents require cutting-edge technology to live, work, and play, Randolph Communications is proud to connect communities with fast, reliable fiber broadband. Our cooperative and non-member service areas now cover an impressive 710 square miles, reaching parts of eight counties that other providers left behind.

We are proud of where we are and even more excited about what the future holds. The chart shows our annual Fiber Investment in the communities we serve.
